"My experience in the program has been beyond excellent. My mentor is a wealth of information... a person that you can pose questions to & an industry insider to help you narrow your focus. It is an ideal program that builds lasting networks." M.G, NCC, '21

"The program is a great benefit to me. The feedback is making my future job hunting less stressful. I have a better view of the security field and which certifications to focus on and I am building network contacts. I am very happy with this experience and am grateful for this opportunity." J.F., NCC '21
